## FROM THE BOARD

On behalf of your new HOA board, we would like to extend warm greetings to all of the residents of Meridian Place! We are thankful and excited to have been chosen to serve Meridian Place. We are looking forward to continuing the efforts to improve our community. With just a little over a month into it, your Board has already started making great things happen for this community. Go check out the communities own Facebook page "**Meridian Place H.O.A.**", where you can view the governing documents, receive community updates and much more. It's a closed Facebook group page just for our community. Coming soon,,Watch for more information about our new website .

Along with abiding by our governing documents, acting in good faith in making the best decisions for Meridian Place and providing our members with accurate information, we have set the following goals:

- Plan for future needs for our community as it relates to infrastructure. Our community will be 20 years old in 2020.
- Make it a safe community and setup a communication system so that everyone is aware of happenings in our community
- Make it possible for those members who don't speak English in our community to have the means of understanding all communication for Meridian Place in their own language.
- Find ways to bring this community together so that we can all get to know each other .
- Continue to make our community a beautiful place to live that we all love to call home.

We hope you enjoy your first newsletter from us and thank you, again, for allowing us to serve Meridian Place.
